Tom, Valerie, and Larry: Sorry for the delay in getting back to you. I had some issues at home late last week and didn't get a chance to get back to you. The status of Modern Plastics is that Larry Kyte bounced the close out package back to me because he had several questions for me that I have to answer before the package moves forward. I am waiting for DOJ to get back to me on some answers to those questions. I think I'll need to amend the close out memo legal section a bit based on the new info. I won't be in the office until Wednesday - I'll revised the close out to address Larry's questions and get it back into signoff on Wednesday. Thanks, Mark
